## GRADUATING EXERCISES.

Reed's Opera House the Scene of a Gala Occasion.

Friday evening was the crowning event of our public school system, the graduating class exercises of the class of 1896. It will be an event long to be remembered, by those who participated, as one of the golden milestones of their lives. The front of the stage was a solid bank of flowers, baskets piled upon baskets, bouquets in stacks and a constant stream flowing in and keeping the flower ushers, so busy that people could hardly be seated. The audience was large one, mostly ladies, showing that the women of Salem are the powers back of our public schools.

The exercises began at a rather late hour. The H. A. C. orchestra discoursed several overtures, when Rev. J. P. Farmer offered a prayer, all arising. The graduating class, the board of education, Supt. Peebles and the teachers, had seats on the stage. The program was very nicely rendered and great credit is due to Supt. Peebles, for the way he managed the whole affair. He has been an efficient and capable officer, as his work fully shows. Miss Smith, the East Salem principal, ably assisted by the full corps of teachers, has done excellent work in bringing the large graduating class to the front in such excellent shape. Everyone speaks in high praise of the Salem schools.

**A PAINFUL ACCIDENT.**—Lillian, the six-year-old daughter of conductor S. Veatch, of the Salem local, met with a very painful accident last evening. She was running to meet her father, just after the arrival of the train from Portland, when she stumbled and fell striking her left arm on a tie causing a painful fracture just above the wrist. A physician was called and reduced the fracture, and the little sufferer will soon have recovered.

## SOCIAL HARMONICS.

Chronicle of Events and Individuals at the Capital City.

Not a few Salemites are attending the Woodman picnic at Silverton today.

Miss Pearl Hobson is the guest of G. R. Thomas and family for a few days.

Miss Maude Randlett returned this morning from a short visit with friends at Jefferson.

Mrs. Ella B. McDowell, one of Salem's talented vocalists, spent the day with friends in Portland.

Mrs. Chas. K. Lipman, who has been the guest of Mr. and Mrs. Frank Hughes, left this morning for her home at Sacramento.

Miss R. T. Smith, for three years the superb principal of the East Salem schools, has resigned, to take a position at Helena, Montana.

Harvey and Ella Wim, who have been attending the Willamette university the past year, returned to their home at Monroe this morning.

Mrs. D. C. Sherman, accompanied by her daughter, Miss Stella, went to Portland, this afternoon, to attend the funeral of a little nephew.

Miss Minnie McIntock, who has been attending the Monmouth State Normal school the past year, left for her home at Scott's Mills today.

Miss Clara Frink, one of the able corps of teachers at the North School, went to Hubbard this morning where she will spend a part of her welcome vacation.

E. C. Cross and family, start overland Tuesday for a six week's outing to Klamath agency and return. There will be six in the party, and they will visit Crater lake, Clear lake, and other points of attraction before returning.

**NEW SUPERINTENDENT.** At an adjourned meeting of the First Baptist church members, W. H. Farmer was elected superintendent of the Sunday school for the ensuing year.

**FOR GODDESS OF LIBERTY.** The Fourth of July committee has asked a number of the lodges to each place in nomination a lady candidate to be voted for the goddess of liberty on the car in the celebration parade on that occasion. Poll boxes will be placed in the book stores of Patton Bros. and F. S. Dearborn, where ballots can be deposited at the rate of 5 cents each. No doubt a spirited contest will soon begin and quite a handsome sum realized for the celebration fund.

## UNITY GUILD ENTERTAINED.

On last Tuesday evening the Unity Guild were pleasantly entertained by Miss Jessie Stump at her home corner of Front and Chemeketa streets. The hours were passed in active games upon the lawn, and vocal and instrumental music in the parlors. The most interesting part of the evening's amusement, was in witnessing a young gentleman's frantic efforts to devour an ordinary sized cake within a limited time. A wager was the incentive to this heroic feat, and one young lady will probably have a pair of new gloves for the Fourth of July. Light refreshments were served, and at a late hour the guests reluctantly departed, hoping for a repetition of another such a good time.

When Baby was sick, we gave her Castoria.  
When she was a Child, she cried for Castoria.  
When she became Miss, she clung to Castoria.  
When she had Children, she gave them Castoria.

**MAKING PROGRESS.**—With eight bricklayers the past week the state sewer has made better progress than with four bricklayers. It was claimed four men only could be worked until the subject was aired in the papers. The same bosses could handle twelve as well as four, and employ more men still, but we cannot hope for too much.

## Perfect Wisdom

Would give us perfect health. Because men and women are not perfectly wise, they must take medicine to keep them perfectly healthy. Pure, rich blood is the basis of good health. Hood's Sarsaparilla is the One True Blood Purifier. It gives good health, because it builds upon the true foundation—pure blood. Hood's Pills are purely vegetable, perfectly harmless, always reliable and beneficial.

Don't think because you are sick and nothing seems to give you relief that you can't be cured. There must be a cure for you somewhere.

If your doctor can't cure you, perhaps he has mistaken the cause. Anybody is liable to make a mistake sometimes.

One in three of us suffer from indigestion, and one out of three dyspepsies doesn't know it. That is, he may know he is sick, but he blames it to something else.

Indigestion is the cause of half of our dangerous diseases. Shaker Digestive Cordial, made from tonic medicinal roots and herbs, is the most natural cure for indigestion. It relieves the symptoms and cures the disease gently, naturally, efficiently, giving fresh life, strength and health to sick dyspeptics.
